Saturday, October 10
‘Pray Around the Border’
Flyers with details on the table in the foyer.

Copies available for your reference in the foyer:

The Stark County Street Card is a pocket guide published by the Stark County Community Action Agency (SCCAA) which lists local community resources and social services for low-income individuals and families. It provides a comprehensive list of emergency food pantries, shelter, utility assistance programs, and healthcare options.

‘The seed within itself’

*The seed of God’s flower
contains within itself
not only
an ability to bloom...
naturally
receptive to the light, to the
nourishment it needs,
furnished with its own
riveting
form and hue,
and provided with all the
loveliness
it requires
to inspire awe, holy joy.*

*The seed of God’s flower
also contains within itself
an expression of
the generosity of Spirit,
It grows, blooms,
then sends off
an abundance of seeds,
embellishing the landscape with
a beauty that never ends.*

*Reflecting God’s love to mankind,
may we also
carry within, not only
an ability to excel,
but to give ---*

*a kind word, a hope, a grin,
a precious knowledge of God—
the seeds of diving Love
that grow and win
over despondent, angry, war-torn
hearts,
looking for the sanctuary of Love
that calls them in
and whispers:
“Life divine is beautiful
harmonious
deathless
hateless
and all have a place here—
now and forever.
I am with you.
I love you.”*

*“Though the storms of sense
wage without,
the kingdom of heaven
is within
and within reach
here, now,
and I enable you to live it and
to know it.”*

*Emily Faulkner
C.S. Journal, July 2026. P 31.*

“Everything in God’s universe expresses Him.” (SH 331:16)
